

**RESOLUTION AUTHORIZING
ESTABLISHMENT OF WATER AND SEWER RATES**

WHEREAS, the City of Cooperstown, North Dakota furnishes water and sewer service to its inhabitants; and

WHEREAS, the City has made improvements, upgrades and repairs to its water and sewer system; and

WHEREAS, the governing body of the City is authorized by law to establish water and sewer rates for such usage and services;

NOW THEREFORE, BE IT RESOLVED, that the following rates for water and sewer usage be and are hereby established as follows:

Article I

Basic water rate: Effective September 1, 2021, the fee per month for water usage for all residential and commercial users including snowbirds and vacationers shall be \$29.75 for from 0 gallons to and including 1100 gallons used. All residential users including snowbirds and vacationers will incur an additional fee of \$4.75 for each additional 1000 gallons or fraction thereof. All commercial users will incur an additional fee of \$5.00 for each additional 1000 gallons or fraction thereof.

Article II

Sewer rate: The fee per month for sewer usage for all users including commercial, snowbirds and vacationers shall be \$8.12 for from 0 gallons to and including 1100 gallons of water used with an additional fee of \$.50 for each additional 1000 gallons or fraction thereof of water used.

Article III

Payments of water-sewer fees: Payments of water-sewer fees shall be due by the 10th of each month.

Article IV

Delinquent meter readings and payments shall be as prescribed in Ordinance No. 2015-1.

Dated and adopted this 5th day of April 2021.
